ASCD Activate

What is ASCD Activate?

ASCD Activate is a digital and collaborative research-backed learning library that helps educators, schools, and school systems develop skills and inspire students while supporting a whole child approach to education.

ASCD Activate is a digital learning library for educators that offers

- *Educational Leadership*® Magazine
- ASCD E-Books and Webinars
- ASCD Whole Child Network™ access
- Over 70 self-paced online courses
- Classroom videos of effective teaching practices
- Teacher-driven articles, videos, checklists, rubrics, and more
- Professional learning pathways and action planners

ASCD Activate enables you to

- Assign professional learning activities to team members for individual or group development.
- Add your school's and school system's content to integrate with ASCD resources and platform tools.
- Personalize your professional learning with flexibility in choice, pace, and place.
- Save money and time while increasing productivity and strengthening outcomes.
